

Bill Brenner Swimming & Coach Education Record

Partner, Education, SwimWise LLC (2026–present)

Aquatics executive, coach educator, and lifelong swimmer whose career spans age-group, collegiate, and Masters coaching; national adult-swimming program development; club growth; and adult learn-to-swim instruction. Over 15 years at the U.S. Masters Swimming National Office, he built the coach and instructor education system that trained a generation of Masters coaches and Adult Learn-to-Swim instructors, retiring from USMS in 2026. At SwimWise he and Bill Meier have created a new in-person adult swimming education curriculum — swimmer clinics, coaching workshops, and instructor training — and teach every course together.
